

**DON'T BELIEVE THE FLIGHT**  
**ACTUALLY, IT'S FINE**

**2.5x**

More Than  
2017!!!

**1040**

**Airline Deaths in 2018**

**35%**

Less This  
Decade

**400**

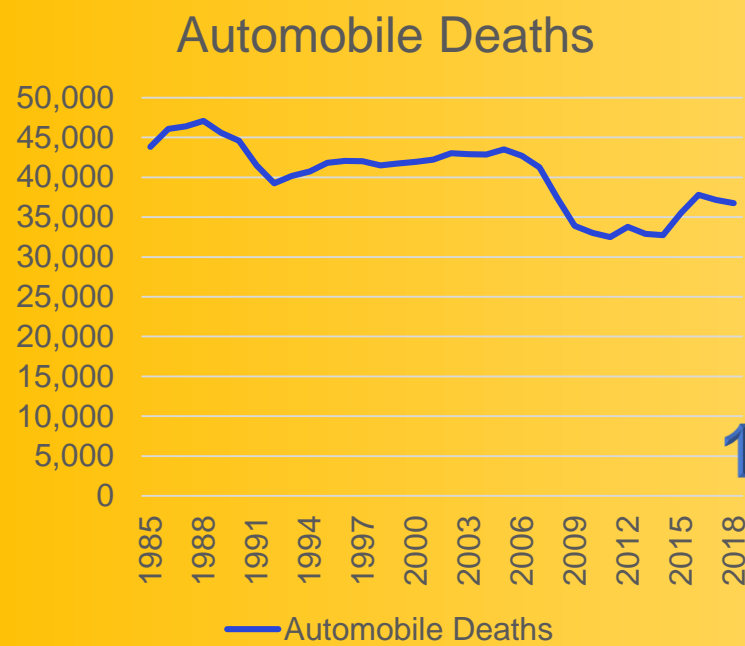

Less Than  
2017!!!

**36750**

**Automobile Deaths in 2018**

**16%**

Less This  
Decade

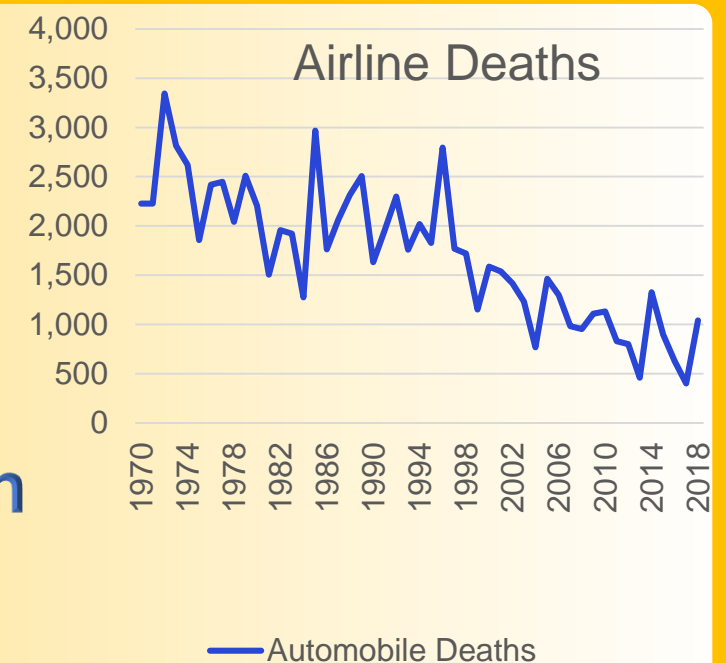

## Who's at risk?

**1 in 7300 Drivers**

**1 in 800k Fliers**

**109x more likely to die in an  
Automobile than an  
Airplane**

## The reason for the fear?

**1**

Isolated incidents have  
been responsible for  
increased Airline deaths  
last year.

**2**

Airline Safety has far  
exceeded  
Automobile Safety.

**3**

Media  
sensationalism  
results in worry.

**68%**

**reduction  
in Airline Deaths  
since the 70's**
